

GALERIE LAMY
CHABOLLE

A Pair of Fluted, *giallo antico*-
like *Scagliola* Columns

Scagliola

Italy

19th century

h. 110 cm (43.3 in.)

These two columns, due to their age and wear, look like remnants of ancient ruins, and might even more come across as magnified versions of the miniature Roman ruins of Domenico Padiglione held at Sir John Soane's Museum in London, or of the Greek temples marble models of Carlo Albacini held at the Capodimonte.
